B. The Suggestion

Based on research findings, the writer would like to give some suggestions especially to the teacher and other writers. From the conclusion of the research above, it is known that using Graphic Thinking Organizer Strategy can give significant effect to students' reading comprehension of report text. Because of that, Graphic Thinking Organizer Strategy can be one of the choices for the English teacher in order to help the students' reading comprehension of report text.

Therefore, English teacher should know how to teach reading by using Graphic Thinking Organizer Strategy. Besides, teacher should also use many ways to encourage students in comprehending report text like:

- a. Teacher should construct creative and enjoyable learning for students.
- b. Teacher should support their strategies by using interesting media.
- c. Teacher makes reading as habitual activities for students in the school.

In addition, there are some suggestion that the writer would like to give to other writers:

- a. The writer hopes this research can be one of the ways to improve students' reading comprehension. It is expected that the findings of this research will be used as starting points to conduct another research.

- b. The writer hopes the other writers find out other techniques to make teaching and learning process more effective and interesting. The writer is expected to find new strategies, methods, techniques, and approaches.
